**RE: DA2022/2081 - 292 Condamine Street NORTH MANLY NSW 2100**

I firmly support the contents of this DA and plans to rebuild the Warringah club house on the grounds of the golf course.

I can see that sporting club players , spectators and also the local residents will have a community asset that they can be proud of.

I understand that this club will be a replacement for the previous Warringah golf club , but that it will be placed on the course and facing away from Pittwater Road for noise reasons- this is an improvement on the previous club situation.

It is also important that there are no poker machines planned - so this will be a place for food , drinks and socialising that all including families can enjoy..
