RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

Too big & very heavy looking for our beautiful suburb. The parking is a huge issue, I have lived in Nabilla Rd for 18 yrs and the parking is a problem & getting worse not better. Whatever they build needs to fit in with the surrounding structure's, BJH, the ferry wharf, my friends house 3 houses north. Get a local architect maybe.
Thank you but I'm a no go for this design
