**RE: DA2019/1190 - 9999 Pittwater Road BROOKVALE NSW 2100**

I would like to support this submission for improvements to Brookvale Oval. The Manly Warringah Sea Eagles are the area's only national sporting team and have proudly represented the Northern Beaches for seventy years. Generations of supporters, both local and from outside the area, deserve modern comfortable facilities to enjoy matches.

I am a wheelchair user and have been a season ticket holder at Brookvale Oval for 17 years. Upgraded disabled access, seating and facilities are long overdue and should be standard in these times. They would be greatly appreciated and utilised by my wife and I.

Modern facilities at Brookie will attract more sporting events which will benefit the whole community. More community rooms will be available for local organizations to access,

Finally the changes will lead to greater usage of the Brookvale area which will help create more jobs and give local businesses a boost.

I strongly support the approval of this application
