Discussion of reason for referral		
<p>This application has been referred as the site has frontage to Middle Harbour which is subject to a local heritage listing - <b>Item 11 - Harbour foreshores</b>, listed in Schedule 5 of Manly Local Environmental Plan 2013. In this instance, it appears that the subject site is not affected by the heritage listing as mapped, however as the lot has frontage to a harbour foreshore, it is implied that it is affected by this heritage listing.</p>

Consideration of Application		
<p>This application proposes a modification of Consent DA2022/1305, which approved alterations and additions consisting of landscaping and other works on the lower portion of the site, including an inclinator. This modification proposes changes to the location of inclinator landing 2, subsequent changes to the cabana, along with other landscaping changes.</p>		

No heritage concerns were raised with the original DA. The modification plans have been reviewed and these changes are minor and do not raise any heritage issues.

**Therefore, no objections are raised on heritage grounds and no conditions required.**

Consider against the provisions of CL5.10 of MLEP 2013:

Is a Conservation Management Plan (CMP) Required? NO Has a CMP been provided? N/A

The proposal is therefore supported.
