RE: DA2021/1805 - 4 Alexander Street COLLAROY NSW 2097

Having lived on the North Shore this last 35 years i have witnessed some wonderful improvements. Accepting that maintaining a balance is always a challenge. Let's please continue to be proactive and mover forward from decay to initiatives that give us the best of both worlds. Collaroy needs some energy and need not just be a place where people stop to buy a pie ! It has great potential. Let's just do it !
