RW; DA2020/1758 - 11 Lewis Street BALGOWLAH HEIGHTS

I wish to object to the application on the grounds that a new childcare centre in this area would impact very negatively upon the childcare centres that are already established.

The big new centres that have opening in Manly recently have undermined the childcare businesses in this Balgowlah/Seaforth/Fairlight area.

This area already offers many high quality childcare centres with vacancies. There is no need for another one.

Thank you for considering my concern, Camilla Galwey
