Subject: 231 Whale Beach Road, Whale Beach

I wish to put my objection into Council regarding the renewal of the design and development of the above address.

From all accounts, the expansion of the restaurant area is completely unacceptable partly because of the huge increase in numbers, the limited parking and the incessant noise in the area.

Whale Beach is a reasonably quiet area off the beaten track, certainly not a commercial area and the thought of this expansion has caught everyone by surprise and against all the residents.

Please take note of all the submissions from those residents who happened to be lucky enough to get notification and all those who have heard from others.

Regards

Barbara Osborne
208 Whale Beach Road
Whale Beach.
