RE: DA2021/1612 - 1 Clarke Street NARRABEEN NSW 2101

I have grown up in south narrabeen my whole younger life. I wish to remain there now my child is growing older and I feel what the council is doing to the beach is terrible. Those rock walls may protect those houses but the beach will be ruined. There will be no beach from sth narrabeen past flight deck !!

What a bloody shame!! So sad. 😞☐
