**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

We don't want another glass and concrete multi-storey wall (like the corner of Barrenjoey and The Boulevard - same developer) overshadowing the north eastern half of our Robertson Rd 'eat street'.

The community of Newport needs the Robertson rd space for much needed community activities. The village atmosphere of Newport will be lost if this DA is approved.
