**RE: NARRABEEN LAKES PRIMARY SCHOOL –
LANDSCAPING PLAN**

In line with my advice during our pre-lodgement discussions we have obtained expert recommendations from the project arboricultural consultant on new tree species and best planting locations within the area of works. This is reflected on the architectural site plan.

As explained during our meeting this is a school-funded project with a very limited budget.

We thank the council in advance for accepting this in lieu of a landscaping plan.

Please do not hesitate to contact us if you have any queries in relation to this matter.
