**RE: DA2019/1234 - 0 Wharves And Jetties MANLY NSW 2095**

The proposed increasing of outdoor drinking area is not acceptable as it will increase noise for surrounding residents.

There is already ample outdoor areas in the Wharf Hotel, Hugo's & Bavarian which is already very noisy but residents are living with it.

Also no additional parking facilities for the additional 400 or so patrons which will be expected. Therefore we are opposed to this expansion.

Yours faithfully

Patricia & Brian Fitzgerald
