RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I'm a long term resident of Newport, and have been looking forward to the revitalisation of my suburb through the Newport master plan. I'm deeply concerned about the second submission from this applicant, which seems to ignore everything we were trying to improve in Robertson road. I'm particularly concerned about the number of units and car spaces required, a massive increase to what is currently there. This will destroy all I love about Robertson road currently and definitely eliminates the possibility of a village square.
