

## Environmental Health Referral Response - unsewered land

<b>Application Number:</b>	DA2018/1602
<b>Responsible Officer</b>	Adam Urbancic
<b>Land to be developed (Address):</b>	Lot 121 DP 12749 , 57 Robertson Road SCOTLAND ISLAND NSW 2105

### Reasons for referral

This application seeks consent for development upon unsewered land.

And as such, Council's Environmental Health and Protection officers are required to consider the likely impacts.

### Officer comments

#### General Comments

Environmental Health has been asked to comment as the site is unsewered and uses on site disposal for waste water.

The proposal is for a boundary fence/screen.

Waste water disposal must be contained within the boundaries of the individual site. Therefore the proposal on the boundary would not interfere with the Land application area.

### Recommendation

APPROVAL - no conditions

### Recommended Environmental Health and Protection Conditions:

Nil.
