RE: DA2018/1708 - 195 Sydney Road FAIRLIGHT NSW 2094

This is disgusting. The whole cloak and dagger approach to the DA stinks. It certainly does not fit in with our suburb and will impact adversely on all residents re noise, traffic and parking. Only a corrupt council or state government would approve this. Expect trouble.

Ps. After submitting this the first time I read it back and comments were Missing. Either deleted by someone or lost in the ether of the internet. As if. I smell a massive clever rat and will now oppose this at ever level I can.
