Officer comments

The development application is for the replacement of an existing front boundary retaining wall. The property adjoins Gwarra Reserve at the rear of the property. The proposed works are at the front of the property and thus the development is not detrimental to the landscape character of the adjoining Reserve, and as such Parks, Reserves and Foreshores raise no concerns with the development proposal.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
