Attn: Phil Lane

Dear Phil,

**Development Application No. DA2022/2277**

**Description: Demolition works and construction of a dwelling house including garage**

**Address: 272 Whale Beach Road WHALE BEACH**

Reference is made to the proposed development at the above area and Aboriginal heritage.

A Due Diligence was written by Unearthed Archaeology in October 2023.

The AHO agrees with the findings and recommendations that no further archaeological investigation is required.

Given the above, the Aboriginal Heritage Office considers that there are no Aboriginal heritage issues for the proposed development.

Under the National Parks and Wildlife Act 1974 (NPW Act) all Aboriginal objects are protected. Should any Aboriginal Cultural Heritage items be uncovered during earthworks, works should cease in the area and the Aboriginal Heritage Office assess the finds. Under Section 89a of the NPW Act should the objects be found to be Aboriginal, Heritage NSW and the Metropolitan Local Aboriginal Land Council (MLALC) should be contacted.

Kind regards

**Susan Whitby MCISc PLV**
