RE: DA/2021/0008  
12-14 Ponsonby Pde Seaforth 2nd Amended Plans, 3rd Objection response.

Attention Rebecca Englund,  
Principal Planner  
Northern Beaches Council

Dear Madam,

There are still plans for 9 large apartments on 2 blocks of land in our area where there should be only 2 residential family homes, one on each block. That is in keeping with the character of the area and that is just about all our local road/transport infrastructure can cope with west of the Seaforth Roundabout.

Greenwashing this over development by proposing even taller trees as decorative decoys does not address all the non compliant issues that still exist which is the point of amending plans so they do comply, nor should it signal a 'green light' (no pun intended) to pave the way for future developers to cash in and redefine our unique urban area by allowing increased density housing and overpopulation.

Northern Beaches Council, represent your ratepayers and preserve our area from this planning aberration.

Yours faithfully,

Suzanne Walcott
