Re DA DA2023/123 11 Boola Place, Cromer

Hi Olivia

As parents of 2 keen Manly cricketers, we would love to pledge our support for indoor nets on the northern beaches. Our boys have to go to Hornsby to access indoor nets in wet weather and those nets are often unavailable to them at that time so they miss out on vital training For pre season training and for training after school and work in the evenings, it would be so good to have access to local indoor nets. I've been involved as a Manager of Manly Junior Rep Cricket teams and it would be so good to be able to have team training at indoor nets when wet weather means our usual training sessions are cancelled.

For an area with such a huge cricket base, it seems crazy that our players have no indoor nets to use for training.

We are very excited in the hope that we might have access to local indoor nets in the not too distant future!

Many thanks for reading this email.

Thanks

Carol and Alex Boulton
