Subject: Re: Mod2021/0047 Notice of Proposed Development - 80-82 & 84 Mona Vale Road
MONA VALE and 22 Jubilee Avenue WARRIEWOOD

Dear Sir / Madam

I would like to express my total support as this market has had a profoundly positive impact in the area since it has started. Not only does it provide employment and a way for entrepreneurs to create their own income (rather than relying on the state or Council for support, it also provided many essential services during the COVID pandemic.

I also really enjoy shopping and buying goods made by locals and not some monopolistic conglomerate. Most of my acquaintances prefer shopping in an environment where healthy eating is the first consideration, not profit for shareholders.

If we care about the local community and environment, we should be supporting this venture and others like it. It is certainly one of the few venues where you do not have any parking and traffic concerns.

Kind Regards
Ric Simpson

1. Before making a submission

You should inspect the plans and read the accompanying information so you are clear on the details. Usually, the applicant will be your neighbour or their architect so you may be able to clarify any details or resolve any concerns by discussing it with them. If you decide to make a submission, please remember:

Council's assessment involves a process of balancing your legitimate concerns and the reasonable development rights of the applicant. Council has to evaluate both within a statutory planning framework and, in some cases may apply conditions to overcome legitimate planning issues.

Council is interested in your specific issues and these are best expressed in your own words and need not rely on lengthy references to provisions of planning instruments (LEPs and DCPs) – these references may distract from your immediate concerns.

When considering an application, Council will have regard to:

- Statutory requirement under the act;
- Adopted policies of Council; and
- Issues raised in written submissions.

Privacy and Personal Information and Government Information (Public Access) Act 2009 (GIPA)

Any written submission you make is open to public scrutiny under GIPA. It will be available on Council's website and may be used in Council reports or court proceedings. In this regard, your comments should be restricted to the proposed development. Comments of a personal defamatory nature should be excluded and Council accepts no responsibility in this regard. In making a submission, you do so at your own risk. If you would like your submission to be kept confidential, you must provide reasons as to why your submission should not be made public and be marked "CONFIDENTIAL" for Council's considerations.

Amended Plans

If plans are amended you may be notified if Council's assessing officer considers the changes have greater impact on your property than the original. If you do not lodge a subsequent submission Council will consider that your concerns have been satisfied.
