RE: DA2024/0675 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

I am a very keen pickleball player and we are in great need of more venues. Our sport is such a great opportunity for many seniors to exercise and more importantly be out socialising. It is also a great thing for the wider community to be exposed to and try. It is such a fun sport that anyone of any ability can play. We don't take up a lot of space but as I said we need more venues so we can continue to grow.
