RE: DA2021/0299 - 160 Parr Parade BEACON HILL NSW 2100

I spoke to Mark Sherwin about our concerns, he said he will speak to his landscaper/architect about possible changes.

Our concerns are,

Proximity of pool to our shared boundary.

The elevation of pool and fence, we find it encroaches on our privacy and makes our backyard feel enclosed.

The pool is situated under our back bedroom window, concern about noise and looking into the back of house.
