RE: REV2022/0004 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

I do not support this proposal and feel it would be detrimental to the local suburb. It is not an appropriate location for commercial zoning or a child care centre. The noise created would interfere with families trying to enjoy their own yards. I am often making important client phone calls for my work and the extra noise would make it difficult to maintain a professional conversation. The increase in traffic and cars wanting to park will make it difficult on an already busy street.
