RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

I object to this development proposal because of the increased risks it places on local residents. Bangaroo St is already a busy narrow street, already always full of parked cars, and used by busses. This childcare centre will add the the traffic and danger of this road. Neighbouring streets St Pauls Road and Worroby street both do not have footpaths and are used as thoroughfares by local cars. St Pauls Road is also used by busses. Why add more traffic to already dangerous streets, or encourage families to walk to this daycare centre when the surrounding neighbourhood is not ideal for safely walking with children. And adding a busy driveway to the one side of Bangaroo St that has a footpath, and wanting that driveway to be in peak use when children are walking to school is an accident waiting to happen.
