RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I have commented on the previous DA for this site, and the same objections apply. Robertson Road is projected under the Newport Master Plan to be steadily pedestrianised so that it may be used as a significant community meeting place. This development will unloose a flurry of vehicular traffic onto this road which will completely negate the Master Plan intentions. As such it runs directly against council and community planning for this area. This DA should be disallowed until it does not allow vehicles to enter or leave via Robertson Rd. They will have to enter and leave via either Barrenjoey or Foamcrest Roads.
