**RE: DA2020/1167 - 9 Francis Street DEE WHY NSW 2099**

I have had a look at the proposed building plan, and I think the benefits outweigh the 'bad things'. There is a great need in Dee Why for social support and programs. I think this project development can be a great asset to the community. As a member of the wider northern beaches church community, I'm excited for what this project will bring to the church and wider social community.
