RE: DA2020/0552 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

I strongly object to the amount of Bushland habitat being cleared to make way for this development. The manly dam area is a treasure of biodiversity in the city that is at risk of 'death by a thousand cuts' if adjacent developments of this scale are allowed. The development should be far enough back that no Bushland is needed to be cleared within the memorial park.
