RE: Mod2021/0668 - 48 A Queenscliff Road QUEENSCLIFF NSW 2096

Re: Mod2021/0668

Dear Alex,

I am the owner of the unit that this new terrace garden will become part of. I would like to address Mrs Robyn Wormald's concerns of further disruptions to her lifestyle if this modification is approved. If the MOD is approved as per our application no further construction work will take place. The only work necessary will be the planting out of the area as per the landscape design. Thanks,
Trevor Collins
