24 Hours McDonald's proposed on Kenneth & Roseberry St Manly Vale

Hello. I oppose this DA because of the following:

1. Already congested traffic and difficulties for pedestrians
2. Overdevelopment in such narrow streets.
3. Noise late at night for residents
4. Health & Wellbeing - let's encourage healthy alternatives not more fast food for our residents.
5. Rubbish and littering which is renowned around Macdonalds
6. No need as already have plenty of these outlets within a few kms
