RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

I work in property maintenance in the Avalon / Palm Beach areas and have always wondered why this prime block of land has remained as it has - a knockdown building and ugly car park. Looking at the photos on the council website provided, adequate parking is provided. This will be a huge plus to the area - nice looking building and potentially more shops.
