RE: DA2024/1171 - 2742 / 9999 Condamine Street MANLY VALE NSW 2093

Hello,

We need squash courts on the beaches and lack of funding and council support has meant that many of the clubs that we previously had access to have been closed.

Please build squash courts. The manly club was getting overwhelmed by the number of players and 3 courts were not enough - 5 would be much better.

Thanks
