**RE: DA2024/0123 - 10 Inman Road CROMER NSW 2099**

My name is Ela I am a Pilates instructor and I've just come back from maternity leave and had a job lined up at feels cromer.

If this doesn't go through I will be left without work, along with many others who were counting on it.

the community will be left disappointed as a new Pilates studio that has been promised to open won't be there.

Please help in anyway you can get feels Pilates cromer happening! It is such a positive asset to the community of cromer.

I've watched them change the lives of people in the Avalon and narrabeen community. Let them help the people of cromer!!!
