**RE: DA2023/0868 - 39 Hay Street COLLAROY NSW 2097**

To access 987 Pittwater road from the north we have to use This section of Hay Street. The U turn which was available in past was closed off with the last main road changes. Hay Street is too narrow and has to cater for all the Pittwater Road residents south of Anzac Avenue (west side Pittwater rd from Hay Street to Anzac Avenue. Extra residents and dwellings will add to this existing problem.
