Dear Northern Beaches Council

We would like to let the council know that we support the DA for the Harbord Hilton's cocktail bar.

We have lived in the Freshwater basin and Queenscliff headland for over 25 years and have seen a great improvement in the management of the pub in recent years since the new owners commenced. Their efforts in trying to provide a quality venue while also wanting to work with the community's and locals' concerns and needs has been impressive.

I have read the reports and as a local I'm satisfied that if the pub adheres to the advice of the consultants that the acoustics & traffic shouldn't be a problem.

The new security has been proactive in their efforts in reducing the noise from patrons leaving. They have certainly made an improvement from what it used to be.

The Harbord Hotel is a fantastic venue and is enjoyed by many of our local friends and family. We support the hotel's improvements, it was definitely in need of some upgrades.

Warm regards

Julia Jackson
