Subject: Attention: David Auster DA2020/1465 Alterations and additions to a recreation facility

Dear David,

Re: DA2020/1465 - Alterations and additions to a recreation facility

In reference to the Statement of Environmental Effects please provide by return email the following:

1. The original Development Application and Assessment or permit that allows Harbord Bowling Club to operate Futsal
2. The original Development Application and Assessment or permit that details the hours of operation for Futsal
3. The original Acoustic Report which details the effects of the Futsal operation on nearby neighbours
4. The original Traffic Report which details the effects of traffic by Futsal players and Futsal spectators on the local area
5. The original Light Pollution Report which details the effects of light pollution on nearby residents

Yours
