Subject: DA2021/1338 - Support

Hello,

I would like to provide **support** for **DA2021/1338** at lot 150 DP1003518 (plus several other lots).

I am a member of Bayview Golf Club so am an obvious supporter of the proposal, however I believe there are general community benefits for the improved drainage – it will mean the course will be open to members and the public a lot more often....this drainage is particularly important as we seem to be experiencing more heavy rain events.

Regards,

Brian Gilbert
