RE: Mod2019/0547 - 22 Jubilee Avenue WARRIEWOOD NSW 2102

We are horrified that the operators of the markets are already trying to alter the conditions of their licence. The markets themselves do not impact on us but the traffic is the issue. Cars bank up on the western side of Foley St waiting for the lights to change. There is also the problem of cars accessing entry to carpark from both directions and when they have to wait to get into the carpark it causes impatience to through traffic who then beep cars waiting to turn in. When the markets first opened and traders and customers did not know the time restrictions it was noisy from before 6 am when we were woken up and we certainly do not want that to happen every Sunday. Traffic on Sunday mornings is worse than weekdays. PLEASE DO NOT MAKE OUR SUNDAYS WORSE
