Subject: DA2020/1136

Dear Sir/Madam,

My name is John Liefeld, address 322 Whale Beach Road Palm Beach.

The development described by DA2020/1136 adjoins my property.

I just wanted to request that the developers pay attention to maintaining a stormwater runoff containment system during demolition and construction as we deal with a fair bit of runoff normally and any addition to this could stress our drainage systems.

Kind regards,
John Liefeld
