1102 Barrenjoey Road, Palm Beach
Development Application: 2022/0469
Land and Environment Court: 2023/00242901

I am writing as a concerned Palm Beach owner and resident to object to the development proposed for 1102 Barrenjoey Road, Palm Beach.

I support the objections of the Avalon Preservation Association, the Palm Beach & Whale Beach Association, Crozier Geotechnical Consultants, Bill Tulloch and others regarding the gross overdevelopment of the site.

Why should the community at large respect development laws and regulations if the developer is allowed to get away with the many breaches in this Application?

Yours truly
Frank Fletcher
