RE: DA2018/1481 - 1 / 0 Veterans Parade NARRABEEN NSW 2101

Hope this message finds you well, I'm a bit concerned about the new tower being built in the Rslifecare, not only does it affect my health in terms of radiation but also the life of the local animals and most importantly the life of young citizens including my child who is going to join us next year God willing. Please reconsider these factors before making the decision.
Kind regards.
