RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

I object to the development plans as this street is already very busy and dangerous with the volume of traffic and very limited parking resulting in many dangerous examples of pulling out of drive ways and children crossing roads in poor visibility scenarios. This development plan will result in more traffic combining with the worst times of day already and an increase risk to people's safety in the street.
