RE: REV2022/0004 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

To whom it may concern,
I'm writing to express my disappointment that after two dismissed attempts to get this proposal of a child care centre in a busy North Balgowlah street passed, that it has once again been submitted for approval with the deduction of a few child care places. Of course, if this scandalous submission were to be approved, I suspect an increase to child care spots would be forthcoming very quickly. North Balgowlah is known and loved for its family atmosphere, a village where many know each other. It is not the suburb for an industrial building, 3m high noise abatement walls, a house which is encroaching on its neighbours, and an absolute parking and pedestrian disaster in the making. Neighbours' driveways will be parked over during pick up and drop off times, buses stop right next to the roundabout, which is too small and dangerous to execute a full 360 degree about turn. A vehicular or pedestrian accident will happen, and it will be on the heads of those involved if approval to this child care centre is made.

There were 90 odd objections to the first proposal, 152 objections to the last application DA2021/0680. Please Councillors, let common sense, wisdom, and safety prevail and ensure North Balgowlah remains the suburb of residents and not of industrial businesses. Where you let one in, others will follow.

I trust you will deliberate wisely and for all the same reasons as previously, dismiss this application.
