RE: PEX2018/0007 - 1 / 0 Kirkwood Street NORTH BALGOWLAH NSW 2093

I am making a comment rather than a submission. I thoroughly agree that the land be rezoned for public recreation, as it is important to keep green space in the area, and Manly Warringah Memorial Park is a well used recreational space. It does not need to have part of it removed and replaced with housing adjacent to what will be a 4-lane highway.
