**Tree Removal
57 Cutler Road Clontarf**

I have been asked to confirm if Tree 1 can be removed without a permit from council.

Under the 10/50 entitlement Tree 1 can be removed without a permit from council as it is located within 10 metres of an approved dwelling. Refer below

Your Property

Your 10/50 search result

You have conducted a search of the 10/50 online tool for the land identified in the map above. This search result is valid for the date the search was conducted.

Please retain a copy of this search result for your records as evidence the 10/50 rules were applicable to your clearing on the day you undertook the clearing.

The parcel of land you have selected is located in a designated 10/50 vegetation entitlement clearing area. You must read the [10/50 Code of Practice](#) carefully to ensure that you are only clearing in accordance with the 10/50 Code. For more information see our [frequently asked questions](#).

Given the above Tree 1 can be removed at a time that is suitable for the owners.
