**RE: DA2024/0967 - 1858 Pittwater Road CHURCH POINT NSW 2105**

I am a resident of the western shore of McCarrs Creek and received notice of the DA dated 12 August 2024.  
I do not object to the DA in principle, but I support the submission to be made by Church Point Community Projects Inc.  
I emphasize especially the need for the sound reducing and parking amelioration measures described in that submission.
