Dear Northern Beaches Council,

I'm responding to your letter regarding the development application for 312 Warringah Rd, Frenchs Forest.

I've read the development documents online and have no objection to this development.

We have lived next door to the Qasabians for many years. They are caring and thoughtful members of our street community. I have no doubt that this development will be carefully and considerately implemented given the family's flawless reputation for being trustworthy and considerate neighbours.

Yours faithfully,

Robert Malicki
