RE: Mod2021/0226 - 615 Pittwater Road DEE WHY NSW 2099

To whom it may concern,
I have read all submissions and agree that this development should not proceed for all relevant reasons.

The parking and extra traffic is a huge concern as now we on Pittwater road have the spaces all taken every day with I assume are people who work in the area who do not want to pay for parking as it is unmetered. We have had one death from too much traffic accessing the street and the intersection on May road and Pittwater road is currently a nightmare.

Besides my concerns above I sympathise with the residents behind me losing the daily sunlight that we all enjoy and losing privacy is a major concern. We have too much high density residence already in Dee Why which the infrastructure has not accommodated, so adding the proposed development will enhance the current traffic congestion in this area.

I trust this and everyone's submissions will be considered in our favour.

Thank you.

Kind regards,

Ann Camp.
