RE: DA2020/0021 - Pittwater Road COLLAROY NSW 2097

I fully support this application for the redevelopment of Long Reef SLSC clubhouse. I have been an active member of the club for 7 years. Long Reef is a beautiful and popular beach and the club has a huge nippers program. The current building has been in very poor condition for many years and is not fit for the club's needs. We desperately need a new clubhouse and amenities to better serve the club and the wider community.
