RE: DA2019/1260 - 29 North Avalon Road AVALON BEACH NSW 2107

Please stop this gross over development of our
Local area. This enormous development will destroy huge numbers of tree's
And replace two small houses with.. with another over 55's complex
It is not the only one in the planning or construction stage currently
We are a small residential town
And we do not want these huge developments going ahead
They are Changing the look of our suburb
And only catering to a certain demographic.
And we certainly don't wish to lose 46 tree's on this site.
