This is a gross over reach by an un caring developer. The impact on the suburb will be negative in every aspect, parking, noise, congestion and possibly crime. It is a very busy and dangerous bend where access is proposed also. Affordable housing is a great idea but this is obvious bluster to maximise profits for what is nothing more than an expensive backpackers lodge. I doubt very much the people behind this would want it in their street! As a tax paying, voting local it is rejected completely.
