Subject: DA2023/0129 - 4 Forest Road WARRIEWOOD NSW 2102

Attn: Adam Croft

Dear Adam,

Development Application No. DA2023/0129

Description: Subdivision of one lot into 13 lots and associated works

Address: 4 Forest Road WARRIEWOOD 2102

Reference is made to the proposed development at the above area and Aboriginal heritage.

There are known Aboriginal sites in this area. No sites are recorded in the current development area, however, the area of the proposed development is considered as having high potential for unrecorded Aboriginal sites.

Given the high potential, the AHO recommends a full and comprehensive Aboriginal heritage assessment be carried out for the land by a qualified Aboriginal heritage professional, including consideration for subsurface archaeological testing. This would provide an assessment of any unrecorded or potential Aboriginal sites within the allotment, and advice on potential (direct or indirect) impacts to any Aboriginal site.

Should any Aboriginal sites be uncovered during earthworks, works should cease and Council, the NSW Department of Planning, Industry and Environment (DPIE) and the Metropolitan Local Aboriginal Land Council should be contacted.

Kind regards

Susan Whitby
